Thames Valley Junior League gala scoring spreadsheet

Fill in the lane draw on the "TEAMNAMES" tab at the bottom. You can only change cells with the fawn background.
 Enter only times: m:ssdd or m.ss.dd - or m:ss.dd, or DQ, or NS (no swim). When each line is filled it should add place, score and go green. Check placings agree with referee
 Referee's decisions: where two have equal times but different places, add .001 second to slower placed team to keep order. Enter DQ reason (Start, Relay, Turn, Finish, Legs, Arms)
 in the time box. At end, all red cells should have vanished. Send results to secretary@tvjl.org.uk (copy chairman@tvjl.org.uk please) by Tuesday after the meet at the latest, please.
